

# D - STAIN

## Concentrated Liquid Bleach

D-Satin Liquid Bleach is a powerful, fast-acting solution designed to deliver deep cleaning and stain removal while maintaining fabric integrity. Its advanced formula effectively whitens whites, eliminates tough stains, and disinfects, ensuring a hygienic and fresh finish. Suitable for use in both standard and high-efficiency washing machines, D-Satin provides maximum cleaning performance without compromising fabric quality. Ideal for commercial and household use, this liquid bleach is the perfect choice for a brighter, cleaner wash every time.

<b>Phosphorus Content</b>	• 0.0%
<b>Approvals</b>	• cRc, NSF B1
<b>Water Temperature</b>	• All

### Pack Sizes

1 gallon

5 Gallon Bucket

\*This product can be used in all water temperatures. Your chemical specialist will adjust product concentrations based on results.

### Directions For Use

**Equipment:** Recommended automatic liquid laundry injection system.

**Use Dilution:** Concentration may vary depending on environmental conditions. Your sanitation specialist will accurately adjust the product concentration to suit your specific requirements.

#### For Use in Automated Dispensing Systems:

1. Sort laundry before washing.
2. Pre-soak or pre-spot laundry as required.
3. Add the appropriate amount of soiled linen to the laundry machine.
4. In the wash cycle, dispense the recommended AllKleen Liquid Laundry Detergent along with AllKleen Release XL or AllKleen Laundry Ultra.
5. For bleaching, dispense this product.
6. In the final rinse cycle, as fabric softener dispense the recommended AllKleen Soft Balance XL.

### Safety Reminder

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information.

### Storage & Disposal

P411+235 - Store in cool dry place at room temperature away from direct sunlight.  
P501 - Dispose of contents and container according to the local, city, state and federal regulations.
