

GREASE CUTTER

Multipurpose Industrial Degreaser

Grease Cutter II is a high-performance, multipurpose industrial degreaser formulated to dissolve heavy grease, oil, and grime from a wide range of surfaces. Its fast-acting formula penetrates deep to break down stubborn buildup, making it ideal for use on equipment, machinery, floors, and hard surfaces in industrial and commercial settings. Designed for superior cleaning efficiency, Grease Cutter II rinses easily without leaving behind residue, ensuring a thorough and effective clean. Safe for use in both manual and automated cleaning systems, it delivers powerful degreasing action while maintaining surface integrity.

Specifications

Color	• Purple
Scent/Odor	• None
Character	• Non Viscous Liquid
Foam	• Mild
pH Use Dilution	• ~12.0 - 13.0
Phosphorus Content	• 0.0%
Approvals	• None
Water Temperature	• All

Pack Sizes

1 gallon

4 x 1 gal case

Directions For Use

Dilution:

General Cleaning: Dilute 1 part degreaser to 200 parts water.

For stripping sealers: Use a dilution of 1 part degreaser to 20 parts water. Machine scrub using a nylon scrubbing pad, rinse well after stripping with clean water.

For grease buildup: Dilute 1 part degreaser to 40 parts water, machine scrub or hand scrub with wire brush, rinse well.

For greasy machinery, tools, etc.: Dilute 1 part degreaser to 40 parts water, rinse well,

Note: Do not dilute dry alkaline surface of pressure washer used in 1 to 200 dilutions.

Safety Reminder

Read and understand the label and Safety Data Sheet (SDS).

These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information.

Storage & Disposal

P411+235 - Store in cool dry place at room temperature away from direct sunlight.

P501 - Dispose of contents and container according to the local, city, state and federal regulations.
