1 gallon

5 Gallon Bucket

Directions For Use

Equipment: Recommended automatic liquid laundry injection system.

Use Dilution: Concentration may vary depending on environmental conditions. Your sanitation specialist will accurately adjust the product concentration to suit your specific requirements.

For Use in Automated Dispensing Systems:

1. Sort laundry before washing.
2. Pre-soak or pre-spot laundry as required.
3. Add the appropriate amount of soiled linen to the laundry machine.
4. In the wash cycle, dispense this product together with AllKleen Release XL.
5. For bleaching, dispense the recommended AllKleen D-Stain.
6. In the final rinse cycle, as fabric softener dispense the recommended AllKleen Soft Balance XL.

Safety Reminder

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information.

Storage & Disposal

P411+235 - Store in cool dry place at room temperature away from direct sunlight.
P501 - Dispose of contents and container according to the local, city, state and federal regulations.
